Kære Paw

Et lille minde til dig fra årene, der gik i CTO og vores alles lille familie. Vi vil alle komme til at savne det, vi havde, men er samtidige glade for, at du har valgt at starte en ny familie med ægte kærlighed og den rette ånd....

Tak er kun et fattigt ord, men det viser taknemmelighed - så kæreste Paw; TAK !

Mange kærlige hilsner og varme tanker fra alle dine CTO-børn.

Dear Paw

A little memory book for you, covering the years of CTO and our little family. We will miss everything we had, but are at the same time happy that you have chosen to start a new family with true love and the right spirit.

We cannot thank you enough for the years we had in CTO, Paw!

With love and grateful thoughts - from all your CTO-children.

«This book was given to the founder, Paw Cortes, from the staff of CTO»
